

A1 (Beginner) English Lesson - Superlative and Comparative Adjectives in English

I'm going to the **zoo**! My **brother** says that there are many big **animals** there and very **tall** trees. The biggest is the **elephant**. He says that he saw a **snake**, and it **was** longer than the snake we saw on **TV**. I don't **want** to see the **snakes**. They are not **pretty**. I think the most **beautiful** animal is the **lion**. He is bigger than my aunt's **cat**. And his hair is **much** longer. Maybe I'll see a **white** lion at the zoo. **They** are the best.
